

INTERNATIONAL BUSINESS & LEADERSHIP (M.A.)

Dresden School of Management

STUDY PROGRAMME

Companies around the world are looking for experts with a global mindset, management skills and leadership qualities. The International Business & Leadership Master's programme is aimed at young professionals who want to work in precisely these management positions in international enterprises in various sectors.

Through the interdisciplinary approach of the Master's programme, social, intercultural and leadership skills are integrated into the programme so that graduates achieve a sound and holistic management education. Topics such as New Work, Change Management as well as the Realisation of Personal Potential are included in the programme and provide a modern insight into management strategies and business practices.

In addition to imparting the necessary specialist knowledge the Master's programme prepares you for your professional career within the scope of various courses, practice-oriented events and interdisciplinary projects. You will solve practical problems both independently and as part of a team. Through cooperation with companies or involvement in research projects and colloquia, you can utilize your knowledge accordingly.
